

MULTI-AWARD-WINNING HOME BUILDER
www.lifetimehomesokc.com

Our STORY

For more than a decade, our founder and owner, Dave Johnson, has been building unique, high-quality homes in the Edmond, Oklahoma, area. In 2016 he turned his lifetime passion for home design into Lifetime Homes, an award-winning family business dedicated to exceptional customer service and communication. Our dedicated team of professionals will work with you to ensure you get the home of your dreams without the stress that can accompany the home-building process. We want to build your home to last a lifetime.

Our MISSION

Lifetime Homes' mission is to create a sense of security for all clients during the process of building their forever home. It is our privilege to work with you to take familiar components and inspired ideas to create more than just a house. We use our knowledge, creativity, and passion to build your dream home and deliver it with exceptional customer service and care. Combining contemporary lifestyle plans with traditional quality craftsmanship, we provide all our clients with exquisite and unique homes.

Our HOMES

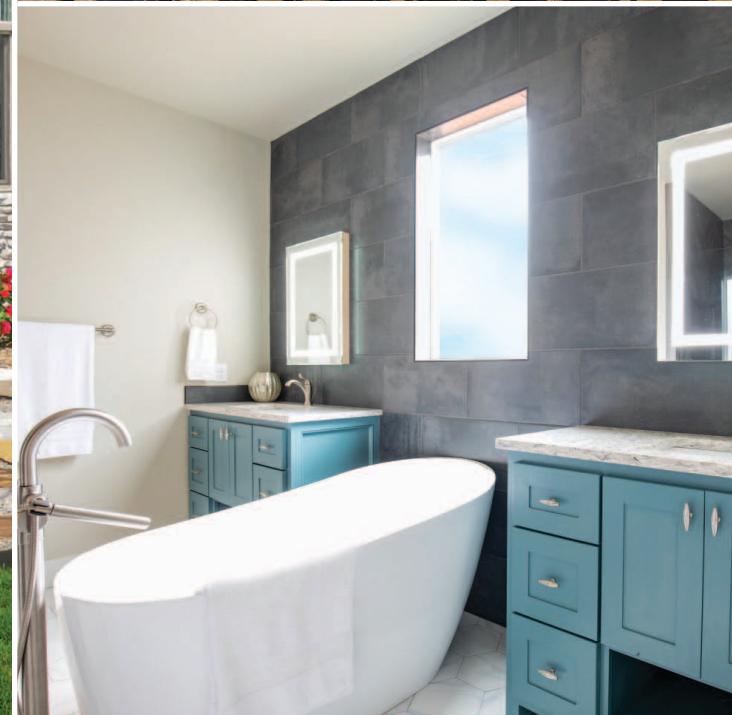

We pride ourselves on never building the same house twice. Each of our homes reflects the personality and lifestyle of the owner—but all our homes do share our dedication to high-quality craftsmanship. Lifetime Homes is known for exquisite kitchens, efficient pantries, large master bathrooms, and unique finishes and fixtures throughout. On the exterior, Lifetime Homes uses only Hardie Board siding and soffits, which extend the quality and life of the home.

Our CUSTOMERS

The Lifetime Homes team is a literal family. The beauty in this is that we treat our clients like family as well. Every team member, including our owner, maintains an open-door policy to former, current, and future clients. We know that communication is essential to ensuring that your home meets your needs and reflects your personality, so we do everything we can to ensure that you feel comfortable communicating with us, through whichever medium suits you best.

Our COMMUNITY

Lifetime Homes owner, Dave Johnson, is an Edmond native and is proud to serve the community he calls home. Our homes can be found in the area's finest communities, including Painted Sky, Belmont Farms, Ridge Creek North, Ridge Creek South, Stonebriar, Kingsbury Ridge and several other surrounding areas not located within a subdivision. Dave and the company are active supporters of the schools, churches, and professional organizations in the area.

Award-Winning DESIGN

Lifetime Homes is consistently recognized as a leader in creating luxury and elegance while maintaining warmth and functionality. For the past two years, our homes have been awarded the titles of Best Overall, Best Floor Plan, and Best Curb Appeal at the Central Oklahoma Home Builders Association (COHBA) Parade of Homes. To maintain our place on the cutting edge of trends in home building and design, we are active members in professional organizations including the National Association of Home Builders, COHBA, and CBUSA.
